

THE WORLD OF PARK & LEISURE HOME SHOWS

Get set to return in 2022!

THE WORLD OF PARK AND Leisure Home Shows are, for want of a better term, 'the industry's own events', and much-loved dates on our annual calendar, showcasing a wide variety of lodges, park homes, suppliers and services.

Being set outdoors especially gives the visitor not just the chance to see, feel and touch, but also a realistic sense of what the lodges you are looking at would look and feel like to walk around on a park. It's where you can explore the latest models, new designs, innovations and ideas for this increasingly popular leisure lifestyle. For buyers, the shows are a fantastic way to find out more about the park and leisure home lifestyle; to explore the homes and meet park representatives and useful suppliers.

For the trade a huge amount of trade is done and they are where many of the latest developments and innovations are showcased. As we start to look forward to next year, write the dates in our diaries and book our hotel stays in anticipation, we raise the starter flag to all the excitement and build-up that makes the shows so special. These shows are loved by the industry and park and holiday home buyers, and that there's always a huge buzz in the air around them.

That's what makes them 'must-visit' events for those with a passion for park and leisure homes.

They are also free to enter, free to park and all visitors receive a complimentary showguide. Well behaved dogs on leads are welcome, and there are plenty of refreshments available on site.
